Dear Professor Stevens,

Reference to our previous correspondence regarding your permission to use the Teamwork-KSA Test by my MBA student Mr. Abuatiah.

I would like to inform you that Mr. Abuatiah has translated the Test and conducted the required data collection from the teams that comprise the sample of his study.

I send you herewith an excel file containing the KSA test results with other required information related to it.

I hope you will find the file suitable and contains all that is needed for analysis.
