D. Comments Program was very enjoyable. I feel very lucky to have taken part in it. [redacted], Dr [redacted] and Dr [redacted] were all very helpful and friendly. I also felt very fortunate to have met some local students from the University of Petra and talk to them about their lives and hopes for the future. I would be very interested to return to Jordan in the future.

Comments I really enjoyed this study abroad. It was different and more than I expected in good ways! I loved being able to interact and observe the people & lifestyle here, whereas a lot of study abroads I feel the students are sheltered & shifted from place to place. I learned a LOT on this trip, & will always remember it. Thank you!

Comments I've had a really fantastic experience here in Jordan. The staff & guides have been very welcoming and willing to share their knowledge with us. The days are full but the excursions are well-paced and there has been a good balance between activities. The Dead Sea mid-week was a perfect chance to recharge and relax. I would've liked a quick arabic lesson at the start of the week so that I could say thank you/please/yes/no but I do feel very motivated to learn some arabic when I return to Belfast. Thank you so much for all of the organisation and effort that has gone into this trip. It's been extremely memorable & enjoyable.

Incredible trip - the University staff^(in particular Dr. [redacted], Mr. [redacted] + Dr. [redacted]) were extremely helpful and attentive. The resources provided, and the breadth of the programme, were 1st class. The whole programme greatly exceeded my expectations and I don't have a bad word to add. Thank-you for your generosity and help in promoting it!

[redacted] was awesome at showing us around the Historical Sites and making sure we had an enjoyable trip each time.

Dr. [redacted] was Awesome beyond Awesome and easily the best because she taught me more Language that I really wanted.

My visit to Jordan was fabulous!!! I am already looking at returning. Everyone here is so friendly and eager to help. Your students are a credit to your institution. Thankyou for everything. I only wish that our stay would have been longer. I would be very eager to participate in Queen's hosting students from Petra University.
